

Thank You for Choosing RMS Hospitality Group!

RMS Hospitality Group is committed to seeking out and partnering with companies that will serve your needs as an Insured. We are proud to announce our most recent addition to this end. Fortis-Site Inspections and Amplified HR have developed unmatched training programs specific to your needs.

RMS Hospitality Group brings their clients value-added services to help them run the safest hospitality business and contribute to the bottom line. We have specialized in the hospitality business for over 30 years and have proven success to drive insurance costs down.

The wide scope of our hospitality programs has enabled our team to analyze claims across the programs and develop the necessary tools to assist our clients to control the exposures that may lead to claims and drive up costs.

Our safety plans, safety materials and videos have been created to deliver safety awareness to the owners and its employees to potentially reduce claims. By embracing the tools we have provided you have taken the first steps to control your insurance costs and increase your profitability.

At no additional cost - You will receive an email shortly inviting you to login and select the safety initiatives that suit your business.
